

## “Leave It Better Than You Found It” 2010 Nominations

In a speech to the National Recreation and Parks Association in the fall of 1993, the late Claude W. Ahrens told the assembled "...our obligation in life is to leave the world a better place than we found it". Shortly thereafter a group of Ahrens' associates instigated a program that would honor individuals and organizations for following that bit of wisdom.

In 1994, the first year of the program, 41 Grinnell area residents were nominated by their peers to be recognized for doing something to leave the world a better place. In the succeeding years over 300 people and several community organizations and groups have been honored for their efforts.

2010 nominations for the "Leave it Better" Awards are only open to **organizations** within the Grinnell, IA area and its surrounding communities. Organizations that qualify for the award include all nonprofits, social, civic, fraternal or community groups who are making a difference. Previous winners of the "Leave It Better" Award include the Grinnell Optimist Club, Stewart Library Children's Department, Grinnell Lions Club, Galaxy Youth Center, Washington Merry Workers 4-H Club, Fairview Elementary PTO, Second Mile, Grinnell-Newburg Dollars for Scholars and the Grinnell High School Guidance Counselors.

When nominating an organization, you should be able to demonstrate ways in which the organization is "leaving it better than you found it" through its community projects, community programs, collaborative efforts with other local groups, and/or through its local fundraising efforts over the past year. All nominations will remain anonymous.

Nominations for the "Leave it Better" Awards are taken annually over the summer and then announced on August 18th, to commemorate the dedication of the Ahrens/Paschall Memorial Park and the late Claude W. Ahrens' birthday. Recipients are then honored by the Claude W. and Dolly Ahrens Foundation each year.
